Throughout the COVID-19 pandemic, our focus at Emerald has been on the health and safety of our customers, our staff and our communities.

As Emerald continues to reunite the industries we serve through the safe and secure reopening of our in-person events, the health and safety of our customers, team members and communities is our #1 priority.

We are committed to creating event experiences where everyone can safely and effectively conduct business. As such, Emerald's Preparedness, Prevention and Response plan has been updated to reflect the current CDC Guidelines and state and local government health policies specific to COVID-19.

Emerald's commitment to providing assurance and confidence that our events have your health and safety is our number one priority.
